

Clothing Story:

Item of Clothing	Description	Where/how I got it	Significance	Story
Poodle dog pants	Pedal pushers, purple with white poodle dogs	From my mom?	I didn't get many new clothes, but my friend Teri did. She always had play clothes and good clothes. I only had clothes. These were special, fancy.	I put them in drawer to save them for a special occasion, and by the time I wanted to wear them, they were too small
Haircut	Curly, short, poodle dog perm	Mom always cut my hair short and permed it.	Mom said it was cute and cutting and perming it would make it grow.	I wanted long hair, so I wore black tights or a white petticoat and pretended I had long hair.
