## Alternative Media Websites

### **AlterNet**

[www.alternet.org](http://www.alternet.org). A project of the Independent Media Institute. Includes some of the best alternative points of view on social issues.

### **Common Dreams News Center**

[www.commondreams.org](http://www.commondreams.org). Alternative analysis and best of the mainstream press.

### **Cursor**

[www.cursor.org](http://www.cursor.org). A critical look at the media on international issues.

### **Democracy Now News**

[www.democracynow.org](http://www.democracynow.org). Daily radio show. Audio and video are useful for contrasting with mainstream news.

### **Fairness and Accuracy in Reporting**

[www.fair.org](http://www.fair.org). Excellent articles critiquing mainstream media coverage of the crisis. Good links.

### **Foreign Policy in Focus**

[www.fpiif.org](http://www.fpiif.org). Valuable background readings on foreign policy issues.

### **The Independent (U.K.)**

[www.independent.co.uk](http://www.independent.co.uk). Some of the best reporting on the war and terrorism. Articles by Robert Fisk are among the finest in the world. See also reporting by The Guardian in Great Britain [www.guardian.co.uk](http://www.guardian.co.uk).

### **Independent Media Center**

[www.indymedia.org](http://www.indymedia.org). Immediate reporting of anti-war protests and resources for linking the current crisis to issues of global inequality.

### **The Iraq Journal**

[www.iraqjournal.org](http://www.iraqjournal.org). Reports directly from Iraq as well as links to alternative sources of information on Iraq.

### **Media Workers Against the War**

[www.mwaw.org](http://www.mwaw.org). A British site offers alternative perspectives on the current war.

### **The Nation**

[www.thenation.org](http://www.thenation.org). Provocative articles on the crisis. Some classroom-friendly. Helpful links.

### **The Progressive**

[www.progressive.org](http://www.progressive.org). Excellent, readable articles on the war and loss of civil liberties.

### **War Times**

[www.war-times.org](http://www.war-times.org). A free paper with clear writing, available for bulk distribution.

**Z Magazine and Z Net**

[www.zmag.org](http://www.zmag.org). Articles, reviews, and resources from a progressive perspective.

Spring 2003
